

Thanks for your enquiry.

Romteck Grid Pty Ltd is a Service Provider to the NSW Fire Brigade combining the expertise and equipment of Romteck Pty Ltd, Australia's largest manufacturer of remote Automatic Fire Alarm Monitoring Systems, with the magnificent monitoring facilities of Grid Security Services Pty Ltd.

As discussed, the following prices are our (indicative) annual rates for the essential service of Fire Monitoring. We will only be responsible for sites where we have been properly advised as to the requirements of each individual configuration.

*1-Year Term \$2,180.

*3-Year Term \$1,600 p.a.

*5-Year Term \$1,450 p.a.

Any additional Brigade inputs are *\$550 p.a. each.

All additional NON-Brigade inputs are *\$350 p.a. each.

A Complying Development Certificate (Excluding Heritage and multiple buildings) to transfer Fire Monitoring services from another Service Provider to Romteck Grid will cost *\$580 including Council fees. However where we get a contract for a period of 3 years or greater, Romteck Grid picks up the cost of certification for Transfers if you can provide a current Annual Fire Safety Statement.

Telstra costs for the back-up line are approx *\$299 for installation and *\$39.35 per month. for line rental. Please note that we require the PSTN cable to run to the FIP.

Naturally we would prefer to inspect the site prior to entering into any contractual arrangement. If you have any questions, or require any further information, please do not hesitate to contact me.

*All prices quoted exclude GST.
